FLORIDA CANCER SPECIALISTS & Research Institute

Dear Patient,

Welcome to Florida Cancer Specialists & Research Institute (FCS)! Throughout your time with us, you will meet an entire team of dedicated team members, nurses and other professionals. Each is committed to addressing your concerns and providing the highest quality of care to support you on your journey.

Over the course of your care you may be assigned to an Advanced Practice Provider (APP) for routine hematology, oncology and symptom management appointments.

APPs are an integral part of our care team at FCS. These Advanced Practice Registered Nurses (APRNs) or Physician Assistants (PAs) have earned advanced degrees and have specialized training in oncology. They are fully qualified to manage a wide variety of care needs and review blood results and pathology and radiology scans. They also can prescribe medications and order infusions.

Individually and collectively, the members of your care team, including APPs, are centered on you and committed to making sure you achieve the best possible outcome.

In addition to delivering high-quality clinical services, our APPs make valuable contributions as leaders to healthcare initiatives, and are vital contributors when it comes to improving and achieving clinical outcomes. They work in collaboration with your physician, who ultimately oversees all aspects of your care plan. Together, they will work together to ensure that your care is tailored to your individual needs.

Please do not hesitate to ask any questions and let us know how we can best serve you.

Thank you for entrusting your care to us.

Your Florida Cancer Specialists & Research Institute Team

FLORIDA CANCER SPECIALISTS & Research Institute

GENERAL & FINANCIAL CONSENT

Dear Valued Patient,

Thank you for choosing Florida Cancer Specialists & Research Institute (FCS) as your healthcare provider. Our physicians are committed to providing you with the highest quality care.

Prior to receiving treatment, please read and acknowledge FCS' patient general and financial policies:

- You consent to the rendering of medical care in compliance with healthcare surrogacy laws, which may include diagnostic procedures, next-generation sequencing testing and such medical treatment as your physician(s) or other FCS medical staff consider to be necessary. You may be offered medical services via telemedicine systems that involve the delivery of health care by electronic communication with a provider who is at a different physical location. You consent to initiating and/or receiving technology-based communications with FCS and my providers, including consulting services from a specialist performed virtually. You understand that my medical care and treatment may be provided by physicians, including fellows and residents, medical and allied health students, physician assistants, nurses and other health care providers. You have read and understand this General Consent for Treatment and understand that no guarantee or assurance has been made as to the results that may be obtained.
- You agree to provide FCS with current and accurate insurance, health care benefits program and/or other payer information, and to immediately notify FCS if your coverage changes.
- You understand that FCS patient financial policies are available online at FLCancer.com. You agree that these policies apply to you and may change from time to time without notice.
- You acknowledge that FCS will bill your insurance plan or program for services provided by FCS and you agree you are assigning your right to receive payment or benefits from such insurer or program to FCS and you are authorizing payment to be made directly to FCS.
- You agree you are responsible for payment to FCS of all co-pays, deductibles and co-insurance applicable under your insurance policy, plan or program. You understand that payment of such amounts is due at the time of service.
- Depending on your insurer, plan or program, some services may not be covered. If your insurance does not authorize or cover a service or treatment and you nevertheless decide to receive such service or treatment, you agree that you are responsible for payment. This applies to all payers in accordance with all applicable law and regulation and payer requirements (including any "advance beneficiary notice" (ABN) which may be applicable under Medicare).
- To facilitate payment of claims, to perform internal operations and to coordinate your care with other healthcare providers, FCS will use your personal health information internally and will share such information with your insurance policy and certain business associates of FCS in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and other applicable federal and state law and regulation.

FLORIDA CANCER SPECIALISTS & Research Institute

- FCS owns and operates Rx To Go, a specialty pharmacy that provides certain pharmaceuticals that may be prescribed by your FCS physician and may be covered under your medical or pharmacy benefits plan or program (such as Medicare Part B or Part D). You are not obligated to use Rx To Go and may have your prescriptions filled wherever you choose. However, if you select Rx To Go to fill FCS-issued prescriptions, then this policy and all other FCS patient financial responsibility policies will also apply to the items and services provided to you by Rx To Go.
- You acknowledge that laboratory and/or radiology services may be necessary as part of your care and treatment which may be performed by FCS clinicians at FCS' own facilities. In some cases, services may be provided by outside facilities, in which case, you understand that you may receive a separate bill directly from the outside provider.
- If you make a payment to FCS that results in a surplus on your account (i.e., a credit balance), FCS may hold that amount as a deposit against charges that are subject to ongoing claims processing or charges for scheduled future services, and FCS may apply the surplus against such pending or future scheduled charges. If a surplus still remains after applying all credits, or if at the conclusion of FCS' care a credit balance remains which is not subject to return to your insurer or other payer, FCS will refund the credit balance to you. However, you agree that any refund under $10.00 will be made only if you make a written request and, in any event, any credit balance under $10.00 will be forfeited if a refund request is not received within five (5) years after the conclusion of your care.

☐ **I HAVE READ, UNDERSTAND AND AGREE TO THE ABOVE PATIENT FINANCIAL POLICIES.**
A copy is available to the patient upon request.

EXPRESS CONSENT TO NEXT GENERATION SEQUENCING

Patient Name: _____ MRN: _____

Patient Date of Birth: _____ Ordering Physician: _____

General description & purpose of genetic test
I understand that my health care provider may recommend that I receive a next-generation sequencing test (NGS). By signing this form, I consent to the collection, use, retention, maintenance and disclosure of my genetic information for clinical laboratory analysis by Florida Cancer Specialists & Research Institute, LLC (FCS) and any affiliate FCS may designate to analyze my genetic information to assist in my diagnosis or treatment if determined necessary by my provider.

Benefits of NGS testing
NGS testing looks for genetic changes in my affected tissue to assist in my diagnosis or treatment. NGS testing may aid in the identification of genetic variations and mutations and the detection of cancer. Additionally, NGS testing may help your provider better determine the optimal treatment for your specific clinical needs.

Limitations of NGS testing
I understand that the test analyzes select gene regions and does not rule out the possibility of an undetected variant in a gene region not included in this test. Although genetic test results are highly accurate, several sources of error or atypical results are possible, including contamination, transfusions and bone marrow transplantations. NOTE: Please let your health care provider know if you have had a transfusion or transplant.

Disclosure of NGS test results
All tests are confidential and will be disclosed only to the ordering health care provider (or designee) and the patient unless authorized in writing by the patient or required by law. The Genetic Information Nondiscrimination Act of 2008 extends protections against genetic discrimination based on a patient's genetic information (http://www.genome.gov/10002328).
Please see www.nsgc.org or www.acmg.net for more information regarding genetic testing.

Retention of specimens
Because Florida Cancer Specialists & Research Institute, LLC (FCS) is not a storage facility, most samples are discarded 60 days following testing completion. Some samples may be stored indefinitely for test validation or research purposes after personal identifiers are removed, with the consent of the patient. Please indicate if you would like to have your sample and data retained.

I understand the above information about genetic testing, and I consent to having this testing performed. I will raise any questions about NGS testing to my provider if my provider recommends that I receive NGS testing.

CONSENT TO SMS COMMUNICATION

By signing below, I authorize Florida Cancer Specialists & Research Institute, LLC (FCS), its affiliate and subsidiary entities, and Rx To Go, LLC (and any authorized FCS texting service vendor) to contact me by SMS text message for health-related notifications, including appointment reminders and billing communications.

I understand that message/data rates may apply to messages sent by FCS under my cell phone plan.

I know that I am under no obligation to authorize FCS to send me text messages. I may opt-out of receiving these communications at any time by responding with "STOP."

I understand that text messages are not a substitute for professional or medical attention.

By signing below, I indicate I am the person legally responsible for all use of mobile accounts, that I am at least 18 years of age, and that I agree to all terms and conditions of use for the text messaging services.

Risk of using text messages: The use of text messages has a number of risks that should be considered. These risks include, but are not limited to the following:

- Text messages can be circulated, forwarded, stored electronically and on paper to unintended recipients.
- Senders can easily misaddress a text message and send the information to an undesired recipient.
- Backup copies of text messages may exist even after the sender and/or the recipient has deleted his/her copy.
- Text messaging may not be secure, and, therefore, it is possible that a third-party may breach the confidentiality of such information.

PLEASE MARK THE FOLLOWING:

☐ I consent to receiving information via text. I understand I can withdraw my consent at any time. Text cell number _____.

☐ I do not consent to receiving any information via text. I understand that I can change my mind and provide consent later.

I, _____ [Patient Name], hereby consent and state my preference to have my physician, _____ [Physician Name], and other staff at Florida Cancer Specialists & Research Institute, LLC (FCS), its affiliate and subsidiary entities, and Rx To Go, LLC (and any authorized FCS texting service vendor) communicate with me by standard SMS messaging regarding various aspects of my medical care, which may include, but shall not be limited to, test results, prescriptions, appointments and billing.

I understand that standard SMS messaging is not a confidential method of communication and may be unsecure. I further understand that, because of this, there is a risk that standard SMS messaging regarding my medical care might be intercepted and read by a third party.

AUTHORIZATION TO RELEASE PATIENT INFORMATION TO THE FCS FOUNDATION

Please complete all sections of the document. If any sections are left blank, this form will be invalid, and it will not be possible for your health information to be shared as requested.

I, _____, give my permission for Florida Cancer Specialists & Research Institute, LLC to share my First, Middle, and Last Name; Address; Email; and Phone Number with The Florida Cancer Specialists Foundation (FCS Foundation), located at 5985 Silver Falls Run, Ste. 210, Bradenton, FL 34211, via email, for the purposes of financial aid, volunteerism and/or giving.

The FCS Foundation is a 501(c)3 nonprofit organization as designated by the IRS. The FCS Foundation's EIN number is 20-4616813.

I understand that the organization listed above may not be covered by federal/state rules governing privacy and security of data and may be permitted to further share the information that is provided to them. I understand that I am permitted to revoke this authorization to share my health information at any time and can do so by submitting a request in writing to:

Name: FCS Privacy Officer
Organization: Florida Cancer Specialists & Research Institute, LLC
Address: 4371 Veronica S. Shoemaker Blvd., Fort Myers, FL 33916

I understand that:

- In the event my information has already been shared by the time my authorization is revoked, it may be too late to cancel permission to share my health information.
- I understand that I do not need to give any further information for the information detailed in Section II to be shared with the organization listed in Section II.
- I understand that the failure to sign/submit this authorization or cancellation of this authorization will not prevent me from receiving any treatment or benefits I am entitled to receive, provided this information is not required to determine if I am eligible to receive those treatments or benefits or to pay for the services I receive.
